

The Cadbury Squash Tournament took place on the 6-8 March at The Riverside Sport & Leisure Club, Gloucester. The annual event, which has been kindly sponsored by Anne Cadbury for many years, excludes all the County Champions and the top five County boys in each age group (except the under 9s and 11s). For many of the younger children this is their first tournament outside their own club, but to help calm nerves each player was presented with a Cadbury's Easter Egg upon arrival. With a large entry of 74 children in 10 different categories every child was guaranteed at least three matches, giving them plenty of experience and many close and thrilling encounters. Gloucestershire is one of the leading counties in the Country at squash with our three current National Champions, our National under 19 team Champions and our County Champions all starting their squash careers at the Cadbury tournament. There was some excellent squash played, particularly by the older boys, who would probably be part of a 'first team' in most other counties.

The results of the finals, playing the best of five games, are as follows:

Boys Under 9	Keiran Woodward (EG) bt Billy Green (Riverside)	11/7 11/5 11/4
